LTL SERVICE GUIDE

You've got a lot to worry about in your daily business operations.

▶▶▶ **LTL shipping shouldn't be one of those things.**

When it comes to less-than-truckload shipping, there can be a lot to remember! And when you're busy working on building your business, sometimes shipping best practices can fall by the wayside. Luckily, Worldwide Express (WWEX) is here to help with all of your shipping needs — starting with your LTL shipping logistics.

Comprehensive LTL Services

We know your freight can't afford to be delayed in transit. That's why choosing the right LTL service type is the first step in ensuring your shipments make it to their destination on time — and at a price that fits your budget.

The choices you need

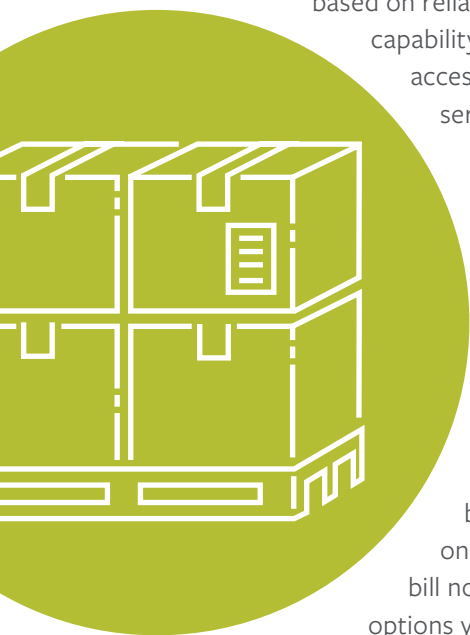

When you find yourself needing more options, WWEX is ready to deliver. We work with more than 65 national, super-regional, regional and local freight carriers — chosen based on reliability, rates and technical capability — ensuring you have access to the specific LTL service options you need.

The rates you deserve

With nearly 8,000 LTL shipments moving through our carrier partners each day, we leverage our volume to negotiate rates that benefit you. Plus, we offer one customized, consolidated bill no matter how many delivery options you choose.

Below are some of the most common services that WWEX customers can select on our SpeedShip™ platform:

- » Limited access pickup and delivery at locations such as construction sites, schools, churches, government facilities and more
- » Delivery appointments and notification before delivery
- » Expedited/time critical delivery
- » Guaranteed delivery
- » Inside delivery or pickup
- » Liftgate
- » Redelivery or reconsignment
- » Refrigerated freight
- » Residential pickup and delivery
- » Tradeshow pickup and delivery
- » White glove

Simplified Claims Process

We know that claims are an inevitable part of the freight business, but rest assured — you have a WWEX advocate ready and willing to make the process as easy as possible.

Our goal is to simplify the claims process for each of our customers. At WWEX, you can quickly submit your claim and supporting documentation through SpeedShip and check its progress — all with a dedicated claims team to answer your questions each step along the way.

Sophisticated Technology

Our state-of-the-art transportation management system (TMS), SpeedShip, was designed with your business in mind.

Book and track your shipments in a snap using our proprietary SpeedShip™ technology. With this easy-to-use online tool, you can instantly compare costs and delivery options, protect your goods with insurance and book and track your LTL shipments.

Dedicated Support Team

With WWEX on your team, you always have a knowledgeable shipping expert by your side without having to keep someone on staff.

Our shipping experts proactively manage your account and anticipate potential roadblocks so you can optimize your LTL shipping and avoid costly surprises down the road. Plus, whenever you need us, your centralized team of support pros is only a phone call away.

Why WWEX?
