

# UPS SUREPOST®

## A STREAMLINED ECONOMY SOLUTION

UPS SurePost® provides an economical, easy-to-use shipping solution for Worldwide Express customers' lightweight, low-value and residential and commercial shipping needs.

### UPS SUREPOST IS A SMART SOLUTION WHEN YOUR SHIPMENTS:

Are primarily B2C and bound for a residential and commercial addresses

Are small and lightweight — generally less than 10 lbs. in weight or one cubic foot in size

Have a value of less than \$100 and require limited liability coverage

Don't require urgent or guaranteed delivery times

**WITH UPS SUREPOST, YOU DON'T HAVE TO COMPROMISE QUALITY FOR COST, EITHER. IT BEATS THE OTHER COMPETITIVE POSTAL SOLUTIONS WITH:**

#### CONSISTENT TIME-IN-TRANSIT

Although not a guaranteed service, you can easily estimate and communicate delivery times to your customers knowing that UPS SurePost's time in transit is UPS® Ground plus one to two days in the 48 contiguous U.S. states, where the service is available.

#### INTEGRATED SHIPPING & TRACKING

With the convenience of preparing UPS SurePost shipments alongside your other small package shipping on both SpeedShip® and UPS's systems, plus the ability to track packages with any UPS tracking tool, UPS SurePost adds transparency for your customers and simplifies your shipment creation process.

<sup>1</sup> Only for SurePost packages redirected back into the UPS ground network. | <sup>2</sup> Additional service fees apply.
